Fashion Design DEC program, the starting point for all major collections.

Exhilarating, the career of fashion designer is for strong-willed and highly creative individuals.

A fashion designer must deliver collections that respond to avid demands for something new. Being able to create collections for specific demographic niches is primordial.

A career fit for the innovative

The latest trends in fashion are in one day and out the next. For this reason, a designer must constantly anticipate future trends and be inspired by them to create their latest designs.

As of now, at LaSalle College, students have the option to study in both French and English. It is our [bilingual option](#).

Diploma

- This Program leads to a Diploma of College Studies (DEC) (Senior Matriculation).
- Holders of a Diploma of College Studies (DEC) in Fashion Design can, if they wish, pursue university studies.

Employment Prospects

A career in marketing culminates in a management role within the evolving world of fashion. Your LaSalle College training will help you be prepared for a career in fields such as:

- Fashion designer
- Stylist
- Modeller
- Patternmaker
- Fashion coordinator

Admission Criteria

Requirements:

To have obtained a Secondary School Diploma (DES)

or

To have obtained a Professional Studies Diploma (DEP) and completed the following courses:

- Language of Instruction from Secondary V
- Second Language from Secondary V
- Mathematics from Secondary IV

or

To have obtained an equivalent education or an instruction deemed sufficient. Every case will be analysed by the college.
