In collaboration with popular cosmetic companies, LaSalle College offers a professional aesthetic program, officially recognized by the ministère de l'Éducation et de l'Enseignement supérieur.

As the only school in Québec to use the Physiadermie products, LaSalle College gives its students the opportunity to work with three different product lines in order to diversify their training and to meet the needs of the market. You will learn how to use equipment and products geared towards facial care, makeup, manicures, pedicures and wax hair-removal.

As a graduate, you will find work in spas, beauty salons, hotels, resorts, medical clinics, the home care industry, and you can even open your own business!

Course Objectives

- Learn to examine and identify different types of skin and pigmentation;
- Master professional facial, manicure, and pedicure techniques;
- Master the various tools and equipment used in the skin care industry;
- Learn essential makeup and wax-removal techniques;
- Develop the social skills required to work in the industry.

Student Profile

- Passionate about aesthetic care and the aesthetic services industry;
- Great communication skills;
- Respect, discretion and ethical behavior toward clients;
- Attention to detail and ability to work quickly and efficiently.

Diploma

DEP

Required Material

At the beginning of the program, you will need to buy a kit prepared for you. You will also get a detailed list of the required materials for the semester along with suggestions of the best suppliers.

Student for a Day

Come spend the day with our students and teachers. This is a unique opportunity to help you make a better choice about your education. It's free of charge and there are no future obligations!
